David,

I received 26 pdfs (all scanned notifications) from the letters you sent after 11:00 AM this morning. I did not received the text attachments that were in the letters you sent at 9:38 am and 9:37 am. Apparently EPA's "protections" removed the documents. I did get the xl spread sheets you sent yesterday and today. Again, the total I have is 26 pdfs and two xl spread sheets. I hope this helps define what make it and what didn't.

Again, thanks for sending these.

Alan

Here are the rest of 2011 application records. Next I'll send the notifications. The application record file names correlate to notification numbers.
